2. Why do you want to become an events coordinator?
3. Choose a vertical that you want to be a part of and explain why?
4. List down your roles as an events coordinator taking an example of your top priority event.
5. Come up with an event different from the conventional ones which can add a new dimension to your sub-department (out of the box thinking is always encouraged) and also make a PS (problem statement) for the same.
6. How would you present your event in SHAASTRA website?
